Your Customizations Built by Boyd!

Built to last. Built for you. Built by Boyd!

Boyd's equipment is proudly designed and manufactured in the USA using vertically-integrated manufacturing methods, meaning we fabricate nearly all components contained in our products ensuring highest quality standards and timely delivery.

GET TO KNOW Boyd and Our Team

Boyd Industries is known for fine craftsmanship, superior durability, and designed ergonomics of our customizable healthcare equipment. Our team's dedication and innovation accounts for the high standards that our customers expect. Our long history of quality and pride in our products creates a positive customer experience and a commitment to success.

Boyd's products are customizable to ensure we can create your dream office. A few trending design themes lean towards creating patient-friendly efficient offices. We suggest making your office...

- **Vibrant** - Add color to your walls and equipment to help you stand out.
- **Ergonomic** - Create an efficient way to serve patients.
- **Specially Efficient** - Utilize space to eliminate clutter and keep organized.
- **Comfortable** - Make your office warm and inviting.

VIBRANT

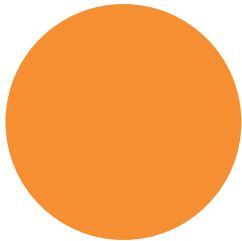

Be Bold & Unique

Adding color to your office may sound daunting, but it can help create a relaxing or cheerful environment. Certain color combinations are known to evoke specific emotions, which can create a memorable experience for your patients.

Boyd Industries offers the widest selections of colors in the industry.

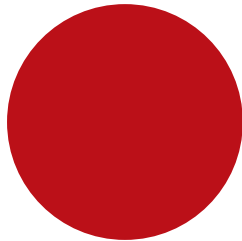

For upholstery, select from Boltaflex Grand Sierra, Vivo, and Vista lines as well as Ultrafabrics Ultraleather Pro™ line. For cabinetry, select from Wilsonart and Formica laminates.
